

TOWN OF BRIMFIELD 2018-2019

***** Please note, building bus routes is always a fluid process as families move in and out of time during the summer. This year, Brimfield routes are decreasing to 6 so most are changing from past years. Please review closely. Additional changes may be made once school begins. As overloading or time constraints are discovered during the first few weeks of school, we will make appropriate changes to routes and notify those affected. We appreciate your patience as we work through these shifts on both Elementary and Tantasqua runs, and will re-post final routes.***
