

Setup your tantasqua.org Gmail on your iPhone

If you had TRSD email setup on your device previously, you should delete that account before proceeding.

1. Go to Settings.

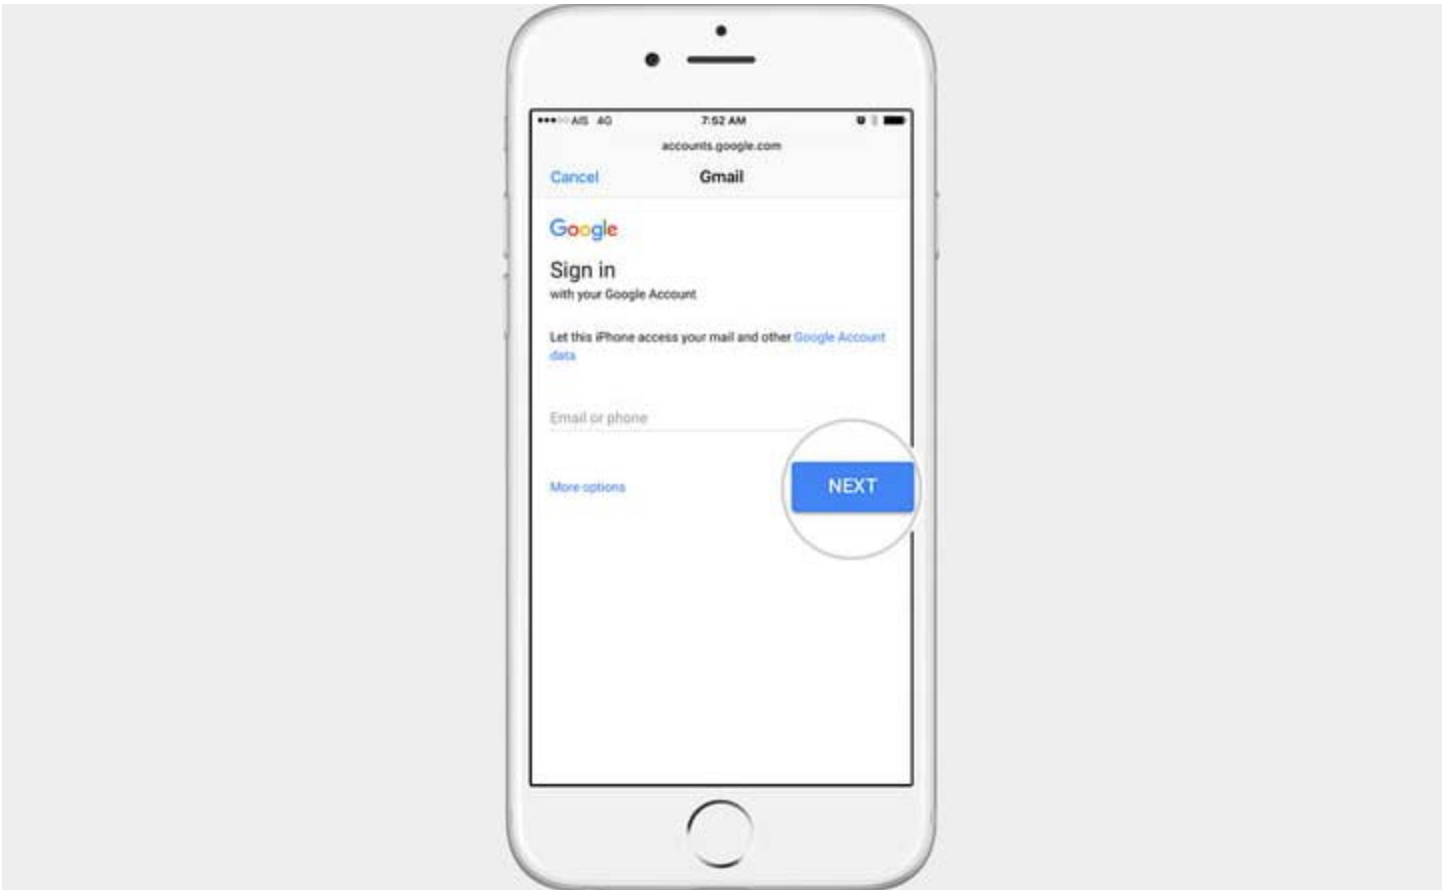

2. Scroll down to Mail and Select Mail> Select Accounts> Add Account, and then select Google.

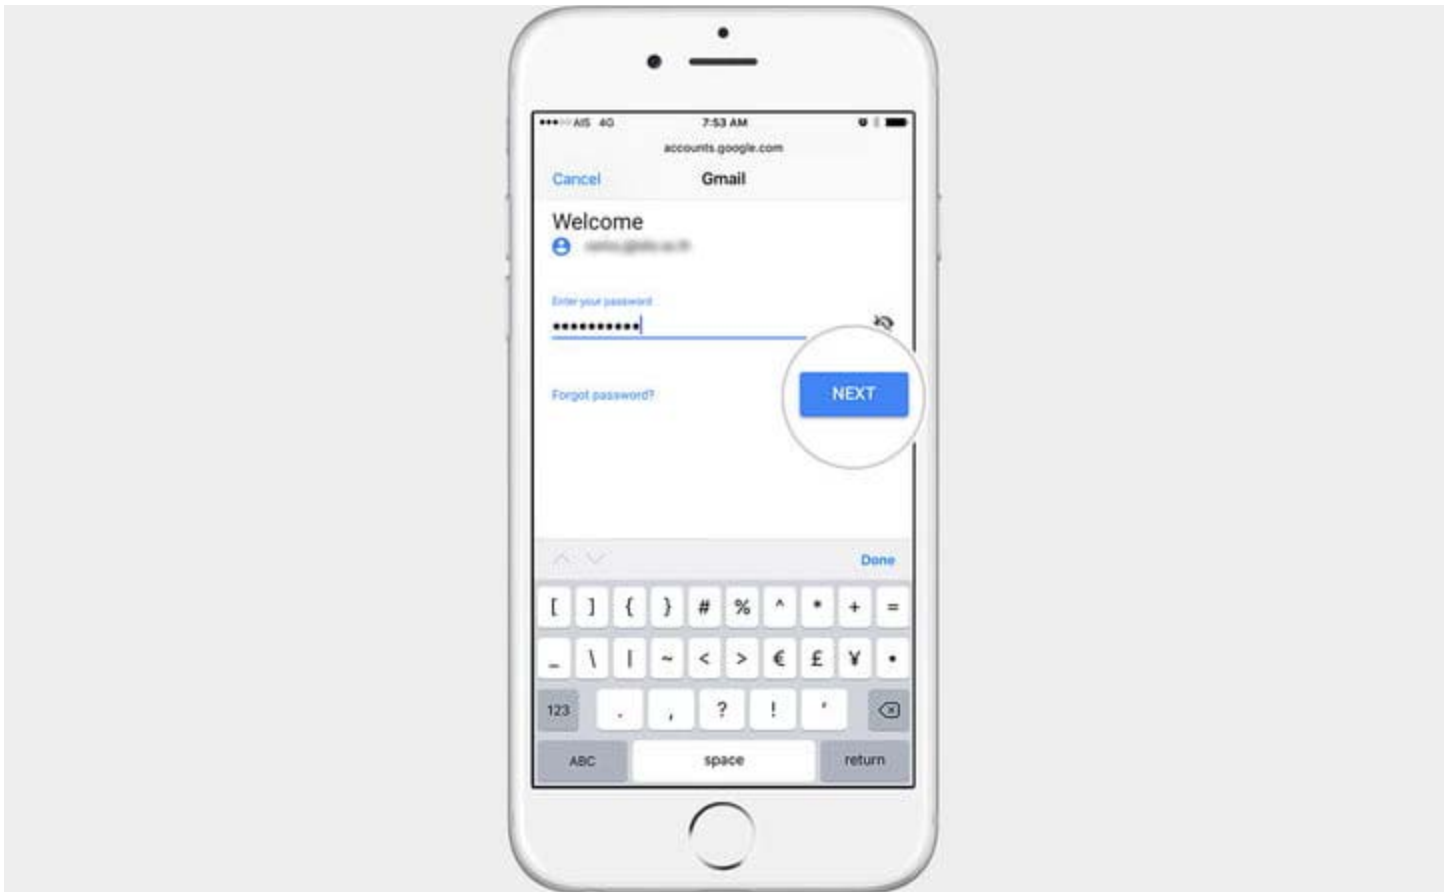

- 3. You're now at the Gmail sign in page.
- 4. Enter your Gmail address (adamsj@tansasqua.org), and tap NEXT.

5. Enter your password, and tap NEXT.

6. You will be asked which things you want to sync. Turn off the things you don't want to sync, and tap Save in the upper-right corner when finished.
