

TANTASQUA EDUCATION FOUNDATION

You've Been Touched By A Ted. Grant

September 2017

Dear Parents and Guardians,

We wanted to let you know that this year's project, "Escape Classroom!" created by Rachael Hager, Kristin Daley, Melissa Bergeron, Cassie Amadio, Braidy Miarecki, Shannon Beveridge and Kathy Troy is being offered to your child through the help of contributions from the Tantasqua Education Foundation (*Ted.*).

Ted. awarded a grant that purchased 4 Breakout EDU kits which will turn your child's classroom into an "Escape Games" type of room. The teachers will be doing something fun to teach science, math and ELA. Look forward to hearing some fun stories!

Ted. is a non-profit charitable foundation supported entirely through contributions from our local community, including parents and guardians like you. It is "dedicated to providing financial resources to support projects and programs that encourage students to develop their talents, become lifelong learners, and pursue excellence." These projects go beyond the scope of those funded by the operating budgets of the school districts.
